## Clay Target Shooting Events

2022

Whether you are looking to enjoy an afternoon of shooting, organize a corporate team building event, plan a stag or stagette, or just want to get away from it all for a few hours, the Edmonton Gun Club can help you plan an exciting trapshooting event.

Regardless of age, gender or physical ability, everyone can shoot trap. Trapshooting involves shooting a clay target that is released from a trap-house. The target is projected away from the shooter in one of three predetermined angles. The shooter does not know the angle but using a shotgun they will aim, track and shoot the moving target. Trapshooting is addictive, so plan to have loads of fun.

One or more trap fields will be reserved for your group for the duration of the event and your group will receive instruction and coaching from one or more experienced shooters whilst in the presence of our Range Safety Officer. As one 5- person group shoots, the others will typically be receiving instruction or just cheering their colleagues on.

**Our Corporate pricing per shooter is \$149.50 + GST, and includes the following:**

- \* Full use of our clubhouse facility
- \* Individual insurance for each shooter
- \* 20-minute safety and trapshooting instruction
- \* Member tips from Canadian and Provincial Champions
- \* Scores kept for your evening bragging rights
- \* 2 rounds of trap for each shooter (25 shots per round)
- \* 2 boxes of 12-gauge or 20-gauge ammunition per shooter
- \* Ear and Eye protection, and Shotguns provided
- \* An Oklahoma style BBQ will be catered with your choice of beef brisket or pulled pork, plus 3 sides (Absolutely delicious!)
- \* A cash bar will be open serving beer and wine (after shooting)
